Podrška za tražioce azila i Ukrajince bez licnog broja

Opština Danderyd u saradnji sa Crvenim Krstom i Medborgarskolan nudi podršku tražiocima azila i ukrajinskim izbeglicama koji su dobili boravišnu dozvolu prema direktivi o masovnom izbeglištvu i koji se nisu mogli registrovati u Švedskoj. Želimo da stupimo u kontakt sa vama koji želite pomo u vezi sa životom i boravkom u Švedskoj.

Nakon sastanka fokus grupe koji je opština organizovala na prolece 2023. godine, formirali smo projekat kako bismo na najbolji način odgovorili na želje i prioritete koji su se pojavili. Projekat se iz toga fokusira na pružanje podrške tražiocima azila i ukrajinskim izbeglicama u oblastima:

- Nastava jezika (švedski)
- Pitanja o tržištu rada
- Savetovanje o društvenim pitanjima
- Zdravstveno promotivne aktivnosti

Projekat se naziva TIA projekat i finansira ga Länsstyrelsen. Traje do kraja februara 2026. godine sa ciljem da istraži, planira i zadovolji potrebe za jačanje podrške za buduću integraciju osoba u Švedskoj.

Support for refugees without ID

INFORMATION FOR YOU WHO LIVE IN STOCKHOLM COUNTY

The Municipality of Danderyd in collaboration with the Red Cross and Medborgarskolan offers support to asylum seekers and Ukrainian refugees who have received a residence permit in accordance with the Temporary Protection Directive and who cannot register in Sweden yet.

We hope to get in touch with anyone who wants support with thriving and living in Sweden. The Project was designed in 2023 to best accommodate what came up as wishes and focus areas from the municipality's residents.

The Project therefore focuses on providing support to individuals in the following areas:

1. Language teaching (Swedish)
2. Labor Market questions
3. Community guidance
4. Health promotion efforts

The Project

The Project is a TIA-project and is financed by the County Administration Board of Stockholm.

The Project runs until the end of February 2026 with the aim of investigate, planning and meeting the needs that exist to strengthen support for people's future establishment in Sweden.

For more information and support, please contact the refugee coordinator in Danderyd Municipality.
